# VENOM

## HEAT AND MASSAGE

### Unlock next-level muscle relief.

Experience the future of muscle therapy with Hyperice's Venom line, a revolutionary range combining the power of heat and vibration to provide unrivaled relief and recovery for muscle soreness. Each Venom product is meticulously designed for active individuals, athletes, or anyone seeking relief from muscle discomfort and tension.

With all-new HyperHeat™ technology, the Venom 2 and Venom Go heat up 6x faster than a standard heating pad – providing instant, soothing relief to sore muscles.

#### VENOM 2 BACK

Soothes sore lower back muscles. Three levels of heat paired with three distinct vibration patterns and adjustable compression fit allows you to customize your massage.

Includes Venom 2 Back Device, Power supply and 3 plug adaptors.

HIVENOM2

#### VENOM 2 SHOULDER

Soothes sore shoulder muscles. Three levels of heat paired with three distinct vibration patterns and adjustable compression fit allows you to customize your massage.

Includes Venom 2 Shoulder Device, Power supply and 3 plug adaptors.

HIVENOM2SHL - LEFT  
HIVENOM2SHR - RIGHT

#### VENOM 2 LEG

Soothes sore leg muscles. Three levels of heat paired with three distinct vibration patterns and adjustable compression fit allows you to customize your massage.

Includes Venom 2 Leg Device, Power supply and 3 plug adaptors.

HIVENOM2LEG

### VENOM GO

Place the Venom Go wherever your body needs it most and remove with ease. The Venom Go pod connects magnetically to the Venom Go pad. Choose from 9 combinations of heat and vibration.

Includes Go Pod, 3 Pads that are completely reusable up to 20 times each, and USB-C charging cable.

**HIVENOMGO**

### VENOM GO REFILL PACK

3 reusable pads for the Venom Go. Up to 20 uses per pad.

**HIVENOMGOPAD**

### VENOM GO CASE

Lightweight protection to store and carry your Venom Go on the move. The case can carry a single pod and up to 5 reusable pads.

**HIVCHARGER**

# HYPERICE X

## HOT, COLD, AND CONTRAST THERAPY

### Any Temp. Any Time.

Hyperice X is revolutionary in recovery tech, providing on-demand contrast therapy treatment that maintains a consistent temperature or automatically alternates between hot and cold settings with a comfortable wearable device. It's a revolutionary step in recovery tech, offering both the hottest and coolest solutions for your wellness needs.

Tackle your pain and inflammation with the power of cold therapy, or turn up the heat to reduce tension and aches with temperatures ranging from 45°F to 113°F. Enjoy fully automated, electric contrast therapy at home or on-the-go, with no prep, no ice, and no cords.

#### HYPERICE X KNEE

Advanced hot and cold contrast therapy for your knee to decrease inflammation and reduce pain. Featuring a white ring to align to your knee cap and 3 comfortable straps to adjust size and hold in place.

Includes AC cable + 9V charger, 3 minimizers and 3 extenders to adjust the length of the straps.

HIXKNEE

#### HYPERICE X SHOULDER

Advanced hot and cold contrast therapy for your shoulder to decrease inflammation and reduce pain. Featuring a 2 strap system that can be used on either shoulder and provides a comfortable fit and hold.

Includes AC cable + 9V charger.

HIXSH

# VYPER

## VIBRATING ROLLER

### VYPER 3

The Vyper 3 contour-designed eco-friendly polypropylene roller energizes your muscles and gets you prepped for action. Massage away tension, loosen up, and feel better with three speeds of high-intensity vibration. Includes power supply and 3 plug adapters. 33 x 13.7 x 13.7 cm.

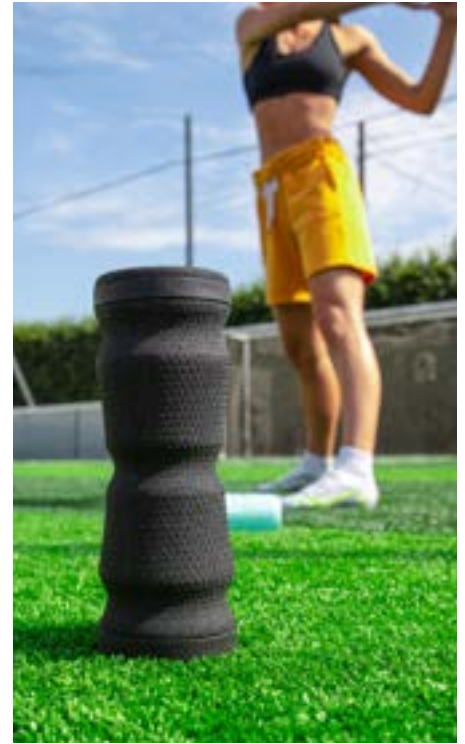

HIVYPER3

### VYPER GO

The Vyper Go balances power with portability, so you can feel your best at home or on the go. Perfectly placed contours and three speeds of vibration for a roll that's right for you. Includes power supply and 3 plug adapters. 27 x 10 x 10 cm.

HIVYPERGO

# HYPERSPHERE

## VIBRATING MASSAGE BALL

### HYPERSPHERE

A hand-held vibration device that delivers localized pressure. The high-powered vibrating Hypersphere can be used for trigger point release on your tightest muscles. Featuring a hard outer shell optimizes vibration intensity and muscle connection. Includes power supply and 3 plug adapters. 5" diameter.

HIHYPERSPHERE2

### HYPERSPHERE GO

A massage ball that fits into the palm of your hand. With three speeds of vibration, you can roll it over your muscles wherever they need some loosening up. Textured rubber skin helps improve grip and soften contact on the body. Includes 5V USB-A to USB-C charging cable and a desktop stand. 3" diameter.

HISPHEREMINI

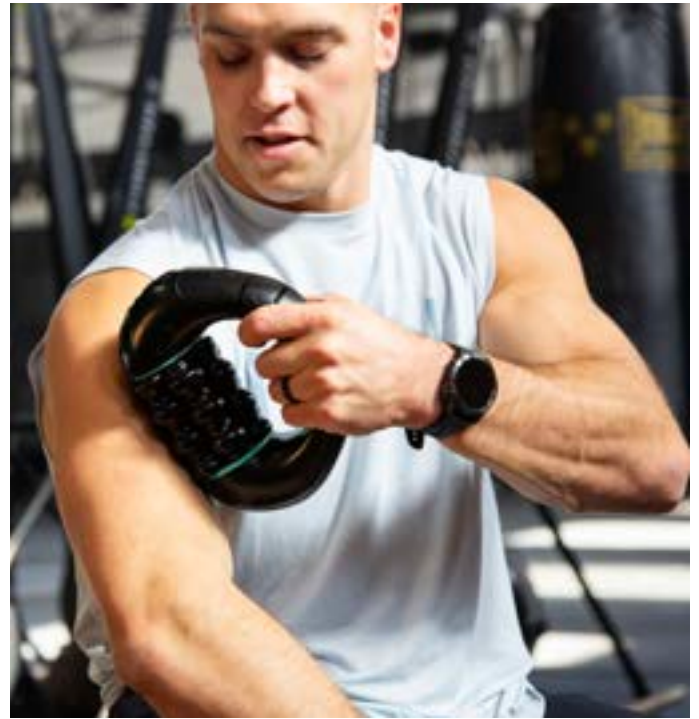

# chirp

**Feel Good. Do More.**

Chirp's mission is to relieve the aches and pains that hold you back, giving you freedom to do more of the things you love.

### CHIRP RPM – ROLLING PERCUSSIVE MASSAGER

Experience ultimate muscle relief and recovery with the Chirp RPM. This innovative device seamlessly merges the therapeutic power of deep percussive massage and rolling stretch massage techniques, giving you a blissfully smooth and comfortable massage that targets pain and accelerates your body's healing process. Users can customize their massage experience by choosing from five adjustable speeds. What really sets the RPM apart though is its multi-use base that allows you to use the device hands-free, rendering it one of the most versatile and efficient massage technology available today.

CHIRPRPM

### CHIRP RPM MINI | ROLLING PERCUSSIVE MASSAGER

Experience ultimate muscle relief and recovery with the Chirp RPM Mini the perfect companion to the RPM. Compact and travel-friendly, this smaller version RPM seamlessly combines the therapeutic benefits of deep percussive massage and rolling stretch techniques, delivering a smooth and comfortable massage experience that targets pain and accelerates your body's healing process. With three adjustable speeds, users can customize their massage experience to suit their needs. What truly sets the RPM Mini apart, however, is its ergonomic, multi-grip handle, enabling users to effortlessly target even the toughest pain points and muscles that requiring a more tailored massage therapy approach.

CHIRPRPMINI

### HALO WIRELESS MUSCLE STIMULATOR – DOUBLE

The Chirp Halo utilizes both TENS and EMS technology to help relieve pain, speed recovery, and strengthen muscles. Easy to set up, the Halo can be operated completely wirelessly and comes equipped with hassle-free magnetic & ergonomic pad attachments. Users can choose between 6 pre-programmed modes to optimize pain relief and recovery naturally.

- 2 Wireless HALO Muscle Stimulators
- 1 Wireless OLED Rechargeable Remote
- Magnetic Charging & Carry Case
- 2 – 7" Extension Cables
- 2 Lower Back Pads
- 2 Large Trigger Point Pads
- 4 Small Trigger Point Pads

CHIRPHALODBL

### CHIRP WHEEL+ 3 PACK

Say goodbye to back and neck pain with the Chirp Wheel+ 3-Pack. This bundle features three different sized wheels for optimal back and muscle recovery. The 4" Focused massage provides rigid pressure to target fine muscles and deep knots. The 6" Deep Tissue digs in deep to get rid of your toughest knots. The 10" Firm delivers targeted pressure to help you massage those problem areas along the spine.

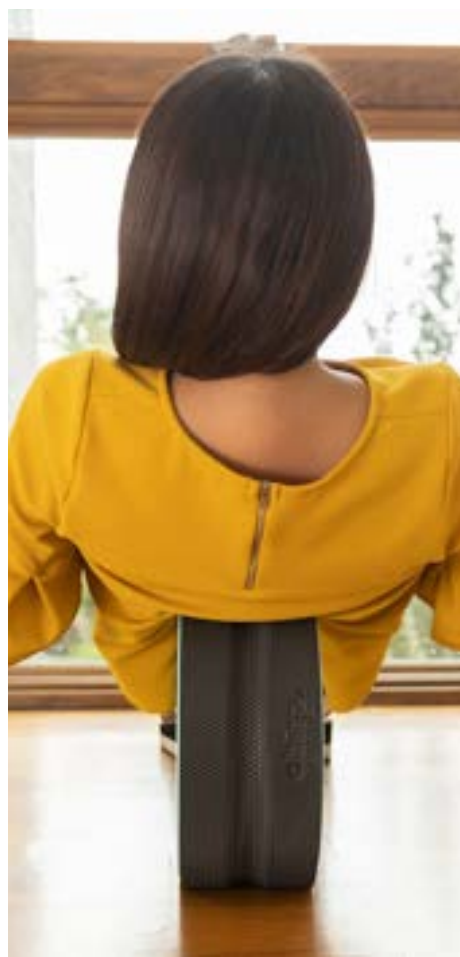

CHIRPWHEEL3P

### CHIRP WHEEL+ 10" FIRM

The Chirp Wheel+ 10" Firm delivers just the right amount of pressure to help you comfortably and effectively massage those tight muscles along your back. Offering a balance of 4-way stretch and firm massage to help elongate the spine while also protecting it with a patent pending Spinal Canal. Reduce muscle fatigue, back pain, and relieve the pressure between the joints.

CHIRPWHEEL10

### CHIRP WHEEL+ 2" FOOT & ARCH

The smallest wheel in the Chirp Wheel+ line provides a customized massage, targeting the arch of the foot. Designed with a more softer material, the foot roller is perfect for those with more sensitive feet while still providing the massage needed for relief.

CHIRPWHEEL2

### CHIRP WHEEL XR 2" MYO RELEASE

The smallest wheel in the Chirp Wheel XR line provides a customized massage, targeting plantar fasciitis relief. This wheel uses a harder material as well as thumb-shaped nodes, ensuring satisfaction from those who love a deep tissue foot massage.

CHIRPWHEELXR2

### CHIRP WHEEL XR 4" NECK & HEADACHE

You've never felt neck relief like this. The Chirp Wheel XR 4" Neck and Headache Relief Wheel is designed to mimic a masseuses hands pressing gently against the suboccipital trigger points in the back of your head and neck area to relieve pressure. Consistent poor posture, cell phone and computer usage can cause "tech neck" which can lead to tight neck muscles and tension headaches. This is the relief that your neck deserves. Simply place the shaped nodes at the base of your skull, lay back, and feel the tension melt away.

CHIRPWHEELXR4

CRUSH EVERY MOMENT

Crush every moment.

Elevate your performance with KT Tape and unleash the power of support and mobility. Discover the ultimate range for enhanced movement and comfort.

#### KT HEALTH ICE SLEEVE

The KT Health Ice Sleeve provides cold therapy, light compression and pain relief for muscles and joints. The direct 360° cooling reduces swelling and keeps you moving. The flexible, soft and comfortable material provides flexible compression that can move with you. Easy to apply up to 20 minutes of therapeutic cold therapy with light compression benefits. Available in two sizes to use on knees, elbows and other joints for maximum comfort. Includes an insulated travel pouch to keep your sleeve cool while on the go.

KTICESLSM - S/M  
KTICESLLXL - L/XL  
KTICESL2XL3 - 2XL/3XL

#### KT RECOVERY+ ICE/HEAT WRAP

The KT Recovery+ Ice/Heat Wrap offers a hands-free solution for hot and cold therapy, allowing for portability and mobility during use. This versatile wrap features a reusable hot pack and reusable cold pack that can be inserted into the insulated pocket to provide longer-lasting therapy techniques for effective pain management and recovery. The wrap's adjustable design can fit various target body parts and offers optional compression for additional relief. Includes wrap with insulated pocket, reusable cold pack, reusable heat pack, travel pouch and quick start guide.

KTWRAPSYS

## KT RECOVERY+ WAVE

KT has taken clinically proven electromagnetic therapy and brought it to you as a portable and easy to use FDA cleared device. What was once a bulky and expensive clinical and sports therapy treatment for chronic musculoskeletal pain is now lightweight, discreet, and wearable – to go wherever you go. The KT Recovery+ Wave has 250 hour battery life for consecutive or intermittent use. The flexible loop design is easy to place, water resistant, and safe to use during regular physical activity. Includes welcome card, quick start guide, 30 strips of adhesive tape and the Wave device.

**First time use:** Wear for a minimum of 12 hours per day for 2-3 consecutive days.

**Recommended treatment duration (use time):** Wear the device for a minimum of 12 hours per day, up to 24 hours daily.

KTWAVE

## KT TAPE BLISTER PREVENTION

Comfortable and flexible tape designed to help prevent athlete-related blisters, chafing and hot spot formation. The ultra-durable and breathable synthetic fabric easily conforms to the skin and is extremely thin to minimize friction. Available in Regular (20 precut 1.25" x 3.5" strips), Wide (20 precut 1.75" x 3.5" strips), and Multipack (15 regular and 15 wide).

KTPREVENTBLBG – BEIGE, REGULAR | KTPREVWIDE – BEIGE, WIDE  
KTPREVPACK – BEIGE, MULTIPACK | KTPREVENTBL – BLACK, REGULAR

## KT HEALTH BLISTER TREATMENT PATCH

Durable gel patches with hydrocolloids to accelerate the healing process of blisters and minor wounds. Up to 2x faster than traditional dry bandages. The waterproof adhesive is designed to last for up to 7 days. Includes 8 patches and a quick start guide.

KTTREATBLST

## KT TAPE CHAFE SAFE GEL STICK

The KT Health Chafe Safe™ Gel Stick will provide all-day friction prevention for your next athletic event! The mess-free, non-sticky and smooth applying gel stick is sweat and water resistant to last up to 24 hours. The convenient & portable stick format is perfect for applying to friction-prone areas to prevent chafing, blisters and hot spots.

KTGELSTICK

#### KT TAPE TURF TAPE

KT Tape Turf Tape is designed to help protect against turf burn. The highly elastic tape features 4-way stretch flexes and moves with your skin. It protects your skin and relieves pain. Water and sweat resistant, the long-lasting extreme adhesive stays in place. Features kinesiology tape benefits of pain relief\* & reduced muscle soreness. Extra wide 4" x 30' uncut rolls can accommodate all player sizes.

KTTURFBLK - BLACK  
KTTURFWHT - WHITE

#### KT TAPE RECOVERY PATCH

Your go-to solution for convenient and effective swelling and inflammation relief. Crafted from high-quality cotton fabric, these four pre-cut patches offer flexible and comfortable pain relief. The simple 2-step application process ensures fast and easy use, while the specially woven design allows breathability, making them comfortable to wear for up to 3 days. Say goodbye to discomfort and hello to relief with KT Tape Recovery Patch! Includes 4 pre-cut cotton patches and a quick start guide

KTRECPATCH

## KT TAPE STARTER PACK

### KT TAPE PRO 125 FT UNCUT

A highly durable athletic tape made from 100% synthetic fabric. Its exceptional breathability ensures comfort during strenuous activities, while its flexible support allows for a full range of motion. This tape adheres securely to the skin even in the presence of sweat and moisture, making it ideal for intense workouts and sports. Plus, its long-lasting comfort means you can wear it for up to 7 days, providing consistent support and relief. Comes in one continuous roll to cut to your desired lengths.

**KTPROJUMBJB** - JET BLACK  
**KTPROJUMBSB** - STEALTH BEIGE

### KT TAPE PRO 150 FT PRECUT

Premium athletic tape crafted from 100% synthetic fabric for superior durability. Designed for maximum breathability and flexibility, it provides comfortable support without restricting movement. Its strong adhesive ensures a secure hold, even through sweat and moisture, making it perfect for high-intensity workouts and sports. Built for long-lasting wear, this tape can stay in place for up to 7 days, delivering continuous support and relief. The roll comes in a single 150 FT length, pre-cut into convenient 10-inch strips

**KTPROJUMBJB** - JET BLACK  
**KTPROJUMPB** - STEALTH BEIGE

### KT TAPE PRO WIDE

Pre-cut ultra durable, double-wide 10"x4" strips that are ideal for targeting larger muscle groups and lower back pain. The Pro technology remains on skin through sweat and moisture, to provide support in extreme conditions. The flexible synthetic performance fibers are fast-drying, water-resistant and provide superior strength. Comfortable to wear for up to 7 days.

**KTPROWIDE**

### KT TAPE GENTLE

Features an adhesive specifically designed for easier removal while still having a breathable cotton fabric. The gentle construction minimizes irritation on sensitive skin and is comfortable to wear up to 3 days. Hypoallergenic and Dermatologist Tested. Contains 20 pre-cut strips that are 10"x2" and can be applied to target pain.

**KTCOTGENT**

### KT TAPE PRO EXTREME

The same 100% synthetic ultra-breathable fabric from KT Pro® with an increased adhesive strength to withstand extreme conditions such as moisture, high heat and high humidity. This advanced kinesiology tape is ideal for withstanding water-based activities and sports. Athletes can maintain their full range of motion with flexible support. Durable and comfortable for wear up to 7 days! Includes 20 pre-cut strips that are 10" x 2".

**KTPROEXJB** - JET BLACK  
**KTPROEXTT** - TITAN TAN  
**KTPROEXSB** - SONIC BLUE

### KT TAPE PRO EXTREME 125 FT UNCUT

The same 100% synthetic ultra-breathable fabric from KT Pro® with an increased adhesive strength to withstand extreme conditions such as moisture, high heat and high humidity. One continuous 125FT roll to cut to your desired lengths.

**KTPROEXTJUMB** - JET BLACK  
**KTPROEXTJUMTT** - TITAN TAN

### KT TAPE PRO ICE™

KT Tape Pro Ice™ uses cooling menthol to provide sore muscles and joints with fast-acting, penetrating pain relief. The light, flexible and ultra-breathable synthetic fabric design supports long-lasting kinesiology pain relief benefits. Can be used for up to 7 days of comfortable wear. Includes 20 precut strips measuring 10" x 2".

**KTPROICEMENT**

### KT TAPE PRO OXYGEN™

Delivers more oxygen to your cells to help unleash your muscles' potential. The Celliant® Infrared mineral powder converts your body heat to infrared energy. This high-strength water resistant kinesiology tape stays on through the toughest workouts. With Ultra breathable synthetic fabric, this tape remains comfortable for up to 7 days. Each roll contains 20 pre-cut tape strips that are 10" x 2".

**KTPROICEMENT**

## Feel ready to go, faster.

Firefly is a revolutionary recovery device that speeds up the body's natural healing by increasing whole body blood flow. It reduces recovery time and boosts performance.

### FIREFLY PORTABLE RECOVERY DEVICE

Innovative technology designed to enhance an athlete's recovery process by stimulating and increasing blood flow throughout the body. By applying gentle electrical stimulation to targeted muscle groups, Firefly significantly reduces full-body recovery time, effectively speeding up the healing process. This portable device harnesses the power of enhanced blood circulation to deliver accelerated recovery benefits, allowing individuals to bounce back from physical exertion up to 3x faster than traditional recovery methods. With its convenient and user-friendly design, Firefly offers a portable solution for optimizing recovery and promoting overall well-being. Includes one pair of Firefly devices which will last for 30 hours of recovery.

**FIREFLYT2**

### FIREFLY KNEE STRAPS

Keep your Firefly Portable Recovery Device in place. The knee straps help to secure the device so that you can recover quicker, reduce muscle soreness and train harder. Contains one pair of Firefly Knee Straps.

**FIREFLYSTRAP**

### FIREFLY STARTER PACKS:

Recover faster with Firefly Recovery Starter Packs—designed to jumpstart your recovery routine. Choose from two convenient options, each including Firefly devices and comfortable knee straps. Whether you're easing into a new routine or stepping up your game, there's a pack that fits your recovery needs.

#### STANDARD STARTER PACK

Includes:

- ┌ 4 Firefly devices (2 pairs)
- └ 2 knee straps (1 pair)

**FIRESTANDPACK**

#### ELITE STARTER PACK

Includes:

- ┌ 6 Firefly devices (3 pairs)
- └ 2 knee straps (1 pair)

**FIREELITEPACK**

# BIOFLEX WAVE

## A Red Light Therapy Device For Every Lifestyle.

Harness the power of red light therapy in a compact, portable device designed to relieve pain, improve mobility, and accelerate recovery.

### BIOFLEX WAVE NANO RED LIGHT THERAPY POD

The Wave Nano Red Light Therapy Pod by BIOFLEX provides a powerful, portable, and wearable red light therapy solution for increasing and optimizing cellular function. Also known as photobiomodulation therapy or PBMT, red light therapy has shown to improve overall well-being including improving circulation and skin rejuvenation and reducing inflammation, muscle and joint stiffness and pain. The Wave Nano is for anywhere and anytime, with 5 mode options, a rechargeable battery and 25 adhesive ring patches included.

- **Wavelengths:** Red 660nm / Near Infrared 850nm
- **Power:** 19 LED (3 W total)
- **Input voltage:** 5 VDC
- **Battery capacity:** 450 mAh
- **Run time:** 60 mins
- **Warranty:** 1 year

## Say Goodbye To Sore Muscles!

Unlock the incredible benefits of magnesium for your body's recovery journey.

### PERFECT FOR POST-WORKOUT RECOVERY

Includes fast-dissolving magnesium, making the soak perfect for sore muscles and post-workout routines.

### MAGNESIUM CHLORIDE MSM & ESSENTIAL OILS

Contains 21 essential minerals, including Sodium, Calcium, and Potassium

### VITAMIN C CRYSTALS

Neutralizes chlorine in the water helping to keep your skin soft, eases dryness and irritation.

## MUSCLE RECOVERY BATH SOAK

Introducing Coach Soak's Muscle Recovery Bath Soak – a natural solution for athletes who train hard and recover smarter. Formulated to replenish essential minerals lost during intense workouts, this fast-absorbing soak helps relax muscles, support circulation, and replenish the body. With five invigorating blends, your post-workout recovery becomes not only effective but enjoyable. Elevate your routine with the next-level alternative to epsom salts.

### MUSCLE SOAK:

Pour 1-2 cups into warm bath water or an ice bath. The soak will dissolve. Soak for 20 minutes, letting the rich minerals absorb through your skin and relieve sore muscles.

### FOOT SOAK:

Pour 1 cup of bath soak into a large bowl of warm water for a relaxing foot bath. Soak feet for 20 minutes.

### WARM COMPRESSION:

Dissolve 1 cup into a large bowl of warm water. Soak a washcloth in the bowl, and wring out excess water. Apply the washcloth to sore muscles until the washcloth is no longer warm. Repeat 2 or 3 times to help reduce pain and swelling.

### SKIN EXFOLIATION:

Mix the Coach Soak with a handful with your favorite body oil or wash. Gently massage the mixture onto the skin to exfoliate dry skin and reveal a softer, healthier complexion, and prevent irritation and dryness

**CSBATHLAV** - CALMING LAVENDER

**CSBATHCIT** - ENERGIZING CITRIS

**CSBATHPEP** - COOLING PEPPERMINT

**CSBATHEUC** - EUCALYPTUS TEA TREE
